

Long-lasting premium cables from Wentronic **Nylon sheathed sync and charging cables from 3SIXT now available**

- **Wentronic expands its range with robust premium 3SIXT-brand cables**
- **New Black series offers exceptional performance compared to traditional cables**

Braunschweig, 1st September 2018 – Wentronic, the Braunschweig-based distributor, is expanding its 3SIXT brand range with high-quality connection cables from the new Black series. The durable and robust sync and charging cables are suitable for state-of-the-art devices, guarantee high charging currents and thus support the latest charging technologies.

The robust yet stylish 3SIXT Black-series premium cables are made from high-quality materials to deliver years of exceptional performance. A robust nylon sheath and stable aluminium connector housings ensure a long service life.

The following models are available:

- USB-A to Lightning (30 cm, 1 m and 2 m length)
- USB-A to Micro-USB (30 cm, 1 m and 2 m length)
- USB-A to USB-C (30 cm, 1 m and 2 m length)
- USB-C to USB-C (1 m length)

A 3.5 mm AUX cable in 1.5 m length and a convenient 3in1 cable with Lightning/USB-C/Micro to USB-A are also available.

All of the cables in the new 3SIXT Black series are now available for retailers at www.wentronic.com.
